

MANUEL USERO

DESARROLLADOR WEB FULLSTACK

ABOUT ME

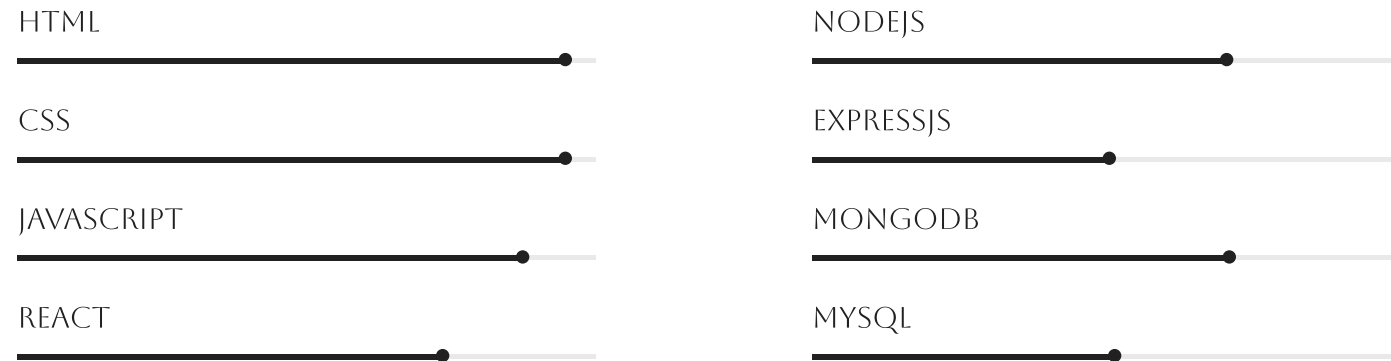

Motivated and detail-oriented Junior Web Developer with a strong foundation in HTML, CSS, and JavaScript, along with hands-on experience in React. Passionate about building responsive, user-friendly websites and continuously improving through agile development practices. Experienced in collaborating with teams to create innovative web solutions that enhance user experience and engagement. Proactive in testing, debugging, and implementing SEO best practices to optimize website performance. Always eager to learn, adapt to new technologies, and contribute to a dynamic development team.

Outside of coding, I enjoy exploring new places, photography, music, and sports—fueling my creativity and problem-solving mindset. Looking for an opportunity to grow my skills and make a meaningful impact in a forward-thinking company.
